16 First Nations Communities in the education zones of New Brunswick are invited to send their Students from grades 8-12 to the Richard J. Currie Center at the University of New Brunswick, Fredericton on Wednesday, Nov.30th at 10:00am-3:00pm to participate in an event promoting leadership and cultural pride. This event will consist of Live Music, Inspirational Speakers and First Nations Role Models to highlight social justice and collaboration among communities. In association with ATLANTIC WE Day, we will be live streaming with their Halifax celebration. In order to make this event a success we are seeking the support of all Chief and Councils, Education Directors, School Principals and staff as well as our District Partners in Anglophone-West, North, South and East. Community transportation would be required as well as chaperones and volunteers for the event. We will be collaborating with community and district departments as well as FNEII as our funding source. The Faculty of Education at the University of New Brunswick will also help facilitate the event.
