### **Memo from the Superintendent March 23, 2020**

Good afternoon ASD-N Parents and Guardians,

Thank you for your continued support and cooperation.

Please be assured that we are working closely with the Department of Education and Early Childhood Development, and we are following all directives from the Department of Health.

Our latest update contains two messages for you:

- The idea of **Home Learning** is currently being considered by the Province, in an effort to maintain learning for the foreseeable future. This will take some time to plan and prepare, and our staff is addressing that now. Please note that no Home Learning is expected to be shared with parents/guardians before early April at the earliest.
- We also want to confirm that there will be no access to schools until further notice.

This situation is very fluid and changes rapidly.

We will continue to update you with information as it becomes available.

Thank you.

Superintendent Mark Donovan  
ASD-N
