Dear Minister Rousselle:

Please be advised that the Anglophone North School District Education Council has passed a motion at its meeting on November 16, 2015 recommending that Janeville Elementary School be given a four-year exemption from further sustainability studies. A sustainability study was completed adhering to the requirements of Policy 409.

Enclosed please find all documents relating to the sustainability study. We hope that these meet with your approval, and we will await your decision on this recommendation.

Should you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Micheal Mortlock, Chair  
District Education Council
