

GPS, Map and Compass Certification Workshop

Where: French Fort Cove Eco Center and French Fort Cove

When: Saturday, June 19, 2010

Time: 8:30 – 5:00

Cost: \$75.00 includes lunch **Note: Special Introductory Price**

Course Overview –

This interactive and certified* **one day** course will show you how to use the GPS, the Map and the Compass. No prior experience is necessary. GPS units, compasses and maps will be provided. Come prepared to participate in outdoor activities.

The course will give you confidence and skills to use one or all three components to assist you in your recreational and everyday use.

Participants can receive a *certification card and will be registered with the Canadian Ecology Center as having successfully completed this program. (Requires writing a written test)

Participants will also receive an instructional manual and DVD.
