The Human Link Food Drive

On November 6th, 2014 at 10:00 am Lord Beaverbrook School (LBS) will be hosting their 4th annual food drive for the Restigouche County Volunteer Action Association (RCVAA) (alternate weather date will be November 7th). LBS is extending an invitation to all community members who would like to participate in this community activity.

In support of Family Violence Prevention Month, LBS in conjunction with other community schools will be forming a Human Link with students, staff and community members. The Human Link is a symbol of collective support and will be formed from LBS to the Food Bank; donated items will be passed from one person to another along the link (map attached).

Last year, over 500 pounds of food was delivered to the RCVAA, representing over \$1,000 in food for those community members in need.

Leading up to the Human Link event on November 6th, LBS will be collecting any non-perishable foods items. Food donations can be dropped off at the front entrance of LBS, located at 113 Arran Street in Campbellton.

LBS would like to thank their community partners, **CKNB, Provigo, Atlantic Superstore** and the **Campbellton Tigers** for their involvement in this community project.

Please contact Aysleigh Lefurgey, Community Schools Coordinator, for further information on how you can participate in the Human Link Food Drive.
