

RES School Supply List

2022-2023

This Year Rexton Elementary has decided to create one supply list for the school. Please read carefully as some items may not pertain to your child.

We hope this makes things easier.

Your child will need to have the following items for their first day of school:

1. **\$45.00 School Fee** (used to purchase school supplies, materials for crafts, baking, field trips, science projects, etc) Thank you to those who have already paid! 😊
2. A book bag
3. A lunch can or lunch bag
4. Water bottle
5. A pair of indoor sneakers with non-marking soles. (Velcro please if your child is unable to tie)
6. **Grades K-1 only:** A complete set of clothes (including under garments and socks) to be left at school (for emergency changes).
7. Headphones - The K-2 teachers prefer the ones that cover the ears. Earbuds are fine for upper elementary. All need plugs, no Bluetooth.
8. **Grades 3-5 only:** If your child has a recorder, they will need it again for music class. If they do not, please purchase one.
9. Two boxes of facial tissue
10. **Grade 5 French Immersion only:** a French English Larousse dictionary.

Please label everything 😊

Thank you,
RES Teachers
