Description

This is a skilled work at the journey-person level in one or more building trades. Work involves the maintenance and repair of buildings, machinery and equipment. The employee must possess a journey-person certificate in one or more trades and is required to work at the journey-person level. Work is not limited to the trade in which the employee possesses a journey-person certificate. The employee may maintain records of stock of building materials & supplies, and requisition materials & supplies for repair and maintenance projects. Work assignments are received verbally or by written instructions which may be accompanied by sketches or diagrams. Performance is reviewed by a designated superior through discussions, observations, inspections, reports and overall results achieved for conformance with established standards.

NB - Other related responsibilities may be assigned as necessary.

Wage or Salary Rate

\$27.96 per hour effective April 1, 2023

Qualifications

Graduation from high school, or GED, and considerable diversified experience at the journey-person level in the applicable trade. Ability to operate a computer and appropriate software programs is required.

Possession of a valid journeyperson certificate in the applicable trade as issues by the New Brunswick Department of Training and Employment Development. Minimum 5 years' experience as a journey person. Written and spoken competence in English is required. Must possess a valid New Brunswick Driver's license.

Please note: Applicants must provide a criminal record check prior to being hired. We reserve the right to contact present and former employers for reference purposes. Only those invited to interview will be contacted.
