

Return to School Messaging – Transportation

Dear ASD-N Families,

We are looking forward to welcoming students back to school, and we want to assure you that the health and safety of our students is a top priority.

You will be able to access Student Transportation information in one of the following ways:

- Go to the ASD-N Website asd-n.nbed.nb.ca
 - Click the **Bus Planner** icon on the Right side of the page
 - Click on the **Can I Ride a Bus** icon and supply the requested information - this will give you basic bus information
- Or
- For your child's detailed bus information, click on the **Parent Portal** icon. You will need to create an account as directed, and then add the student's information (you will need the student's NBEN number from a Report Card), birthdate and home address.
- Or
- If you do not have internet access, you can call the ASD-N District office at 1-800-661-6667 or 778-6075 and ask for Natasha or Gaston in the Transportation Department.

During this time, as a result of reduced bus capacity, schools will not be able to accommodate any requests for alternate bus stops or bus passes. Students will have one pick-up point and one drop-off point, the same for every day of the week. The only exception will be for shared custody agreements.

Should your child's bus information require an update, please contact your school.

Thank you!
